

## Teacher Certification (Other)

Review the instructions below carefully before proceeding to Page 2. If you need additional space for any field in page 2 please feel free to attach a separate sheet of paper. Additional information regarding our services and the application process are available on our website.

### What to Submit:

In order to perform an evaluation we require the following:

- Page 2 of this application form signed and dated
- Final Degrees, Diplomas or Certificates
- Full, Official Transcripts/Marksheets/Academic Records showing all subjects studied, examinations and grades
- Language of instruction (examples can be found on our website)
- Information on one's date of graduation within the documentation
- Certified** word-for-word English Translations for all academic credentials submitted. Certified translations must be performed by a **qualified disinterested third party**, typically a professional translation company, university or government agency.
  - o **Exception:** If your documents are in Spanish you may provide your own translation.

We can accept legible photocopies of official documents submitted via fax or e-mail. Please note that we recommend submitting applications and supporting documents via e-mail rather than fax, as many academic credentials do not transmit clearly via fax.

### Personal Information:

**Name of Applicant:** Enter your full current legal name exactly as you want it to appear on your evaluation report. If the name shown on your academic credentials is different from your current legal name, enter your other name(s) in the space provided. Please note that the middle name is for reference only and will not be included on the evaluation report.

**E-mail:** Please provide a current e-mail address. You will receive emails regarding your application status (including if your file has been placed on hold for any reason). Once your evaluation report has been completed, you will be emailed an unofficial electronic copy of your evaluation report and its mailing tracking information.

**Summary of Education:** List the schools you have attended (beginning with secondary education and continuing through your most recent degree). This helps our evaluators make sure you have provided all of the documents necessary to provide you with a complete and accurate evaluation. Please include an additional sheet of paper for more space if necessary.

### Evaluation Service:

The **Detailed Evaluation of Coursework** is automatically selected for you, as it provides the course-by-course evaluation with GPA calculation required for teacher credentialing.

### Time-frame Options:

If no rush service is selected, the evaluation will be completed in approximately 10 business days. Alternatively, rush services are guaranteed. We will refund the rush fee if the time-frame is not met. **Please note that all time-frames begin the business day after we receive everything necessary for evaluation and do not include shipping time.**

### Shipping Options:

One complimentary official report will be shipped to the address you provide. An unofficial report is sent to you via e-mail. Please fill out the additional copy section if you require additional official reports. Complimentary domestic USPS shipping with a tracking number is provided. We also offer USPS domestic *expedited* delivery for an additional fee. **For international shipping, you are required to pay \$50 for DHL Express.** If you provided original documentation and would like it returned to one of these addresses, please specify using the check boxes provided. We reserve the right to withhold documentation.

### Payment Information:

Payment must be submitted in full before the evaluation can begin. Please follow the payment instructions on page 2. Please note that we cannot accept cash, wire transfers, or Discover Card.
